What you can do: Training & Events

Sustainable event management & assessment

Assessor Training

14th - 15th January 2020

Want to learn how to make events and festivals greener, cleaner and smarter in 2020?

De Oosterpoort, Trompsingel 27, 9724 DA Groningen, Netherlands

In collaboration with our friends Eurosonic

we are once again running our acclaimed

Environmental Assessor Training.

If you are an event organiser, sustainability manager, academic, or simply want to improve your knowledge of the environmental impacts of running events join us for this intensive 2 day training course.

For more information contact us at: training@agreenerfestival.com

AGREENER FESTIVAL

hello@agreenerfestival.com

www.agreenerfestival.com

**In collaboration with
Falmouth University and Cambridge Digital**

We now offer our

Assessor Training Online

Next Course Feb 2020

The course covers:-

- **Key** operational aspects of running a sustainable event
 - The AGF assessment process
 - Uses real case studies and examples of good practice
- Participants have the chance to meet online and exchange ideas through our discussion forums.
- Successful candidates will receive a joint certificate of completion from AGF and Falmouth University
 - Will be able to undertake AGF assessments under the supervision of our Senior Assessors

Interested - you can apply directly to Falmouth University
